'26-'27 FUNDRAISING GOALS

Revive was founded in 2022 by a group of students in the basement of a fraternity house. Over the last three years, God has grown it into a vibrant ministry on the campus of The University of Texas at Austin, and through Revive, thousands of students have had opportunities to experience Jesus Christ and enrich their relationship with Him.

We ask that you would consider partnering with us financially as we seek to raise the funds necessary to continue to steward the ministry of Revive and provide opportunities for further growth of the Kingdom of God on campus at UT Austin.
